1. Aims

Children's Endeavour Trust ("the Trust") is committed to safeguarding and promoting the welfare of all children. We recognise that children may face different forms of abuse and we work together to protect children from harm. As well as being abused by adults, children can be abused by other children. This is known as 'child-on-child abuse' or 'peer-on-peer abuse'. The Trust is committed to preventing child-on-child abuse and will protect children that may be suffering, or at risk of suffering harm perpetrated by another child. We recognise that child-on-child abuse is abuse and should never be passed off as "*just banter*", "*just having a laugh*", "*part of growing up*" or "*boys being boys*". We appreciate that often there are barriers to reporting child-on-child abuse and as such, we understand that even if there are no reports it does not mean it is not happening. We maintain an attitude of '*it could happen here*' and act in the best interests of children at all times.

2. Definitions

2.1 The following terms and associated definitions will be used throughout this policy.

- 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of the Trust.
- Child/children refers to any young person under the age of 18.
- Safeguarding and promoting the welfare of children is defined as protecting children from maltreatment; preventing impairment of children's mental and physical health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care and taking action to enable all children to have the best outcomes.
- Child-on-child abuse (or peer-on-peer abuse) refers to any scenario where a child under the age of 18 abuses another child under the age of 18. It can take place online or offline. The children involved do not have to be the same age and the perpetrator may be older or younger than the victim. Child-on-child abuse is most likely to include but may not be limited to:
 - bullying (including cyberbullying, prejudice-based and discriminatory bullying)
 - Abuse in intimate personal relationships between children (sometimes known as 'teenage relationship abuse')
 - physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse)
 - sexual violence, such as rape, assault by penetration and sexual assault (this may include an online element which facilitates, threatens and/or encourages sexual violence)
 - sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse.
 - Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.
 - Consensual and non-consensual sharing of nudes and semi nudes images and or videos (also known as sexting or youth produced sexual imagery)
 - upskirting, which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm; and

- initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group and may also include an online element)

3. Purpose

3.1 This policy has been written to

7 Training

The Trust and schools will ensure that all staff have been trained to recognise and respond to child-on-child abuse. We recognise that it is more likely that girls will be victims and boys perpetrators, but that all child-on-child abuse is unacceptable and will be taken seriously.

8 Procedures to minimise child-on-child abuse

8.1 The Trust have a responsibility to minimise opportunities for child-on-child abuse. We do this by maintaining appropriate levels of supervision, positive behaviour management and ensuring the curriculum promotes inclusion, tolerance and British Values.

8.2 We recognise that some children may be more vulnerable to child-on-child abuse than others. For example, children who have already experienced abuse, those that have special educational needs or disabilities (SEND), children living in care and children who are LGBTQ+ and/or have other protected characteristics under the Equality Act 2010 may be more likely to face child-on-child abuse than other children. We work to protect children with additional vulnerabilities by ensuring staff are aware of this possibility and making reasonable adjustments where required.

8.3 We address child-on-child abuse through our curriculum, in line with Relationships Education, Sex and Relationships Education and Health Education guidance.

9 Responding to concerns or disclosures of child-on-child abuse

- 9.1 The Trust and schools take child-on-child abuse seriously and will respond to all concerns or disclosures of child-on-child abuse immediately.
- 9.2 We ensure that there are a range of different ways that children can disclose abuse.
- 9.3 If a member of staff has a concern about child-on-child abuse, or if a child discloses child-on-child abuse to them, they will refer this to their school's Designated Safeguarding Lead immediately, in line with the Trust's Child Protection and Safeguarding Policy.
- 9.4 Upon receiving a concern, report or disclosure of abuse, the Designated Safeguarding Lead will decide what further action is necessary. This will vary depending on the type of child-on-child abuse and the severity of the incident/s disclosed. The Designated Safeguarding Lead will take contextual factors into account when managing the report.

The Designated Safeguarding Lead will always consider the following;

- The wishes of the victim in terms of how they want to proceed. The victims will be given as much control as is reasonably possible over decisions regarding how any investigation will be progressed and any support that they will be offered;
 - The nature of the alleged incident(s), including: the level of coercion or threat, whether a crime may have been committed and consideration of harmful sexual behaviour;
 - Both the chronological and developmental ages of the children involved;
 - Any power imbalance between the children, including consideration of the age of children and whether children have special educational needs or disabilities;
 - The impact on the victim;
 - If the alleged incident is a one-off or a sustained pattern of abuse; and
 - If there are ongoing risks to the victim, other children, adult students or school or college staff.
- 9.5 Depending on the nature of the incident/s, the Designated Safeguarding Lead may
- Seek further information from those involved and witnesses.
 - Undertake a risk assessment to ascertain steps necessary to safeguard the victim, alleged perpetrator, adults and other children.
 - Decide to manage the concern internally.
 - Organise a meeting with relevant staff and agencies to assess risk and agree a safety plan.
Refer the victim and/or the perpetrator to local services for Early Help
 - Refer the case to Children's Services via a MASH referral.
 - Liaise with social workers working with children involved (if applicable).
 - Make a referral to the police.

9.6 Supporting the victim

- 9.6.1 The Trust recognises that child-on-child abuse has a significant impact on young people and victims are likely to need ongoing support.

- 9.6.2 Appropriate support will be put in place for victims of child-on-child abuse whilst investigation is taking place and following the initial response. Support will continue for as long as it is needed and will be reviewed regularly to ensure the victim is receiving appropriate care.
- 9.6.3 The Trust will do everything we can to maintain the victim's normal routine.
- 9.6.4 The Trust will do everything we can to protect the victim from further bullying and harassment as a result of their disclosure.
- 9.6.5 If a victim of child-on-child abuse moves to a new setting, the Designated Safeguarding Lead will share the necessary information to ensure that support for the child continues.

9.7 Supporting the alleged perpetrator

- 9.7.1 The Trust has a responsibility to ensure that an alleged perpetrator continues to receive a suitable education and will consider a range of options in continuing educational provision.
- 9.7.2 We recognise that children who perpetrate child-on-child abuse may be being abused themselves. The Trust will continue to safeguard the alleged perpetrator and provide them with support.
- 9.7.3 A plan to reduce the risk posed by the alleged perpetrator will be put in place as part of the risk assessment made following the alleged abuse.
- 9.7.4 If the alleged perpetrator moves to another setting, the Designated Safeguarding Lead will share information as necessary to safeguard the individual and other child at the new setting.
- 9.7.5 The Designated Safeguarding Lead will take advice from children's social care, specialist services and the police as necessary.
- 9.7.6 The schools may choose to impose a sanction or punishment on the alleged perpetrator following an incident of child-on-child abuse. In this case, we will follow the particular school's Behaviour Policy in determining the level and severity of sanction.
- Where a child is cautioned or receives a conviction related to an incident of child-on-child abuse, the Trust will follow the guidance from Keeping Children Safe in Education 2024

10 Local Arrangements and Making Referrals

- 10.1 The Trust adheres to local safeguarding arrangements, as outlined by the Suffolk Safeguarding Children Partnership.
- 10.2 For further details of how the Trust works with partner agencies in responding to safeguarding incidents including incidents of child-on-child abuse, please see the Child Protection and Safeguarding Policy.

11 Record-keeping

- 11.1 Headteachers will monitor the frequency of incidents of child-on-child abuse. The numbers of confirmed incidents will be reported to local governors and Trustees termly and recorded on the Headteacher's Report to Governors.
- 11.2 Members of staff will follow the procedures for recording a disclosure outlined in the Trust's Child Protection & Safeguarding policy.

12 Parent/s and Carer/s

- 12.1 Parent/s and carer/s will be informed of incidents unless sharing information puts a child at greater risk of harm.
- 12.2 Careful consideration will be given in cases where the child wishes to withhold information from their parent/s or carer/s and the school will operate within the law and relevant guidance at all times.
- 12.3 Children will always be encouraged to speak to parent/s or carer/s about child-on-child abuse.
